

Community Services Facilities (CSF) Program History

In 1995 the Washington State Association of Community Action Agencies proposed the creation of the Community Services Facilities (CSF) Program to coordinate the many requests the state Legislature receives for support of community-based, non-residential family and youth services capital projects. The CSF Program awards grants to non-profit organizations to defray up to 25 percent of the eligible costs of the acquisition, construction or major renovation of their facilities.

COMPETITIVE GRANT PROGRAMS:

- Building for the Arts ■
- Community Services Facilities ■
- Youth Recreational Facilities ■

LEGISLATIVE GRANT PROGRAMS:

- Local Capital Projects ■
- Job Creation & Infrastructure ■

The Legislature has appropriated almost \$22 million in CSF grants since the program's inception. These grants are funded by the sale of state bonds (no federal funds are involved). The following tables list the amounts appropriated each biennium and the amounts authorized for each project.

The CSF Program operates under RCW 43.63A.125. For complete statutory language see: <http://www.leg.wa.gov/RCW/>.
